

WINE ENTHUSIAST[®]

MAGAZINE

Congratulations!

You've been selected as one of the nation's most wine-friendly restaurants for this year.

Yours is one of a select number of restaurants in North America to be honored with this recognition. It represents your dedication to delivering the most wine-friendly experience to your patrons.

In recognition of achieving this honor we are enclosing a certificate commemorating your **Award of Unique Distinction**. Please display this prominently as a prestigious indication of your restaurant's quality and your outstanding wine program.

Our Annual Restaurant Awards magazine feature will appear in our upcoming February issue, which will be available the week of January 11th. The article will include a listing of your restaurant with your contact information. Your restaurant will also be listed for an entire year as one of our "Award Winning Restaurants" in our fully searchable database on our web site, www.winemag.com.

Congratulations again on winning this award. We are proud that, through your commitment and creativity, you have helped make wine an important part of the total dining experience.

Sincerely,
Adam Strum
