

In creating the wine list for Ditka's, there are three things that come to mind...the quality of the wines themselves, the value offered to you the consumer, and how wine can accentuate a dining experience.

Our current wines-by-the-glass program offers all three. There is something for everyone no matter your wine knowledge or palate. Our Coravin system allows us to offer highly sought after wines not normally available by the glass at peak condition.

As always, this collection of wines reflects our commitment to quality, value, and the ability to drink fantastic wines from some of the best domestic and international wineries.

Ditka's cuisine paired with these wines leads to memorable conversations. All the ingredients for the perfect night out with family & friends. Cheers!

Kevin Roskoskey | Sommelier & Wine Director
